

Eclecticism and elegance are key in this design for a table that combines lightness and robustness into one balanced whole. The solid oak top and stems are glossy and modern, in contrast with the rather brutalist marble base and brass foot, which add to the table's sturdiness.

Technical details

1. Top and stem	Solid limed oak
2. Base	Irish green marble
3. Foot	Solid patina Brass

Dimensions

a. Diameter	46" / 117 cm
b. Height	30" / 76.2 cm
