DOUBLE ACT

Designed by Ben & Aja Blanc, the Marfa side chair pays homage to the geometric proportions of Donald Judd and Surrealist art. Made from solid rift white oak with short-cut curly shearing upholstery, the chair can be right or left facing with one side open and the other closed. 1stdibs.com

LOW PROFILE

The Bianca Chair is constructed in Northern Ireland by heritage furnishings brand Orior and boasts a sensuous lip-like shape and comfortable seat. Elegant walnut legs complement the structured leather fan back reminiscent of 1940s Hemingway Cuba. oriorfurniture.com
